Seminars and conferences at the JUFA Hotel Wien City****

Modern meets traditional

The JUFA Hotel Vienna City**** provides a perfect blend of the old and new. 157 well-equipped modern rooms and a glass-covered atrium contrast beautifully with the historic surroundings that were formerly the home of Mautner Markhof, a well-known food manufacturing company.

Our hotel in the heart of the city also scores very highly with visitors due to its proximity to the underground (U3 Enkplatz) and tram (71) stations and to the motorway network. Seven fantastically equipped seminar rooms all lit with natural daylight (from 60 to 364 sqm) are available for events, seminars and international conferences. The spacious lobby accommodates up to 600 people and can be booked for product presentations, opening ceremonies, balls, choral festivals and concerts.
